# FESTIVAL OF SATELLITES 2025

Are you between 15 and 25 and passionate about performing arts? Then the Festival of Satellites is just right for you: whether dance, theater, performance or interdisciplinary concepts – anything goes, as long as the idea is convincing.

Interested?

Then apply (alone or as a group) with your project idea by December 2, 2024. The selected projects will be presented to a public audience at the Festival of Satellites from August 14 to 24, 2025.
