

The satellites *are orbiting* again

FESTIVAL OF SATELLITES 2026

Are you between 15 and 25 and passionate about performing arts? Then the Festival of Satellites is just right for you: whether dance, theater, performance or interdisciplinary concepts - anything goes, as long as the idea is convincing. Interested?

Apply (alone or as a group) with your project between December 1, 2025 and January 31, 2026. The selected projects will be presented to a public audience at the Festival of Satellites from August 13 to 23, 2026.
